## Rules and Regulations (CS:GO & Valorant)

- Every team must have at least 5 players. (Inc. 1 captain).
- Teams can have 1 substitute/coach if they desire, but it is not mandatory.
- No changes (replacements) are allowed in the team once the tournament starts.
- Every team is asked to be very punctual with the timing of the matches or they will be disqualified.
- Only 2 timeouts will be allowed per half of the match and a technical pause can be given at any round.
- Coaches are not permitted
- Voice channels will be provided on the Official Discord server that players are required to join and utilize throughout the course of the matches played. Any use of any other third-party voice chat software (e.g., TeamSpeak) is not permitted at Online Events
- If found using bugs in any matches, the other team gets the bye.
- The tournament is open to everyone!
